Course + Team Breakdown

There are many ways to break up this course, depending on team size and competitive vs. noncompetitive

Standard Team: **10 Person**
Ultra Team: 4-5 **Person**
Super Ultra: 1-**3 Person**

Competitive vs. Non-competitive

Competitive: Completes the race in order, doesn't skip legs or skip ahead (leapfrogging) and meets requirements of the full team: Standard 10 person, Ultra 5 person, Super Ultra 3 person.

Non-competitive: Team size can be any amount between 1 - 9, and/or the legs aren't completed by runners in the assigned order. You are still eligible for Fastest and Last Over The Pass Awards.

What's the difference?

Competitive teams are eligible for top team finisher awards

Both competitive and non-competitive teams that complete the course before the cutoff time are considered finishers, receive medals, results, etc.
